

Privacy Policy

Confidential Information

C2S HUB. discourages you from sending or posting to this web site any information that you consider to be confidential or proprietary. Please note that if you do send or post any such information or material, C2S HUB. will assume that it is not confidential. By sending or posting any information or material, you grant C2S HUB. an unrestricted, irrevocable license to use, reproduce, display, perform, modify, transmit and distribute those materials or information, and you agree that C2S HUB. is free to use any ideas, concepts, know-how or techniques that you send or post for any purpose on this web site.

Commitment to Privacy

Your privacy is important to us. To better protect your privacy, we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used as allowed or required by applicable law. To make this notice easy to find, we make it available on our home page and at every point where personally identifiable information may be requested. We promise that we will take steps to use your personal information only in ways that are compatible with this Privacy Policy. We do not share trade, sell or rent any of the individual personal information you provide with this site, although we may collect and/ or share aggregate data with such web site.

Limitation of liability

Under no circumstances shall C2S HUB. Be liable to any users of this site for:

Loss, injury, claim, liability or damages of any kind resulting from the use of or the inability to use the material on this site, even if C2S HUB. had been advised of the possibility of such damages and regardless of the form of action, whether in contract, tort or otherwise; special, direct, indirect, incidental, punitive, exemplary or consequential damages of any kind whatsoever (including without limitation attorney's fees) in any way due, resulting from or arising in connection with the use of or the inability to use this web site or its content/ materials; claim attributable to errors, omission or inaccuracies in or destructive properties of any information available herein.
